TURN A
BULL LOOSE
IN YOUR

BACKYARD

KNOW BULL.

KNOW BULL.

For most people, tinkering with and testing an open flame grill in your garage is not a good idea. But Mark Nureddine is not most people. And his efforts with a grill in a closed environment were the genesis to a company that would become one of the leading manufacturers of Outdoor Kitchens in the world. Under Nureddine's direction and leadership for the past two decades, Bull Outdoor Products has grown to provide Grills, Outdoor Kitchen and Accessories to over 900 dealers and distributors throughout North America, as well as 15 countries. From a garage to countless backyards around the world, Bull Outdoor Products are now the gold standard when it comes to unBulleivable outdoor cooking.

KNOW QUALITY

Bull's award-winning grills are designed, engineered, and master-crafted to meet certifications from CSA and CE, which means anyone with a Bull grill can take comfort in knowing that they're cooking with the highest quality, premium grill on the market.

KNOW COMMITMENT

It's not enough to just say you're committed, Bull backs it up. From the 304-14 gauge stainless steel used on every grill to the Lifetime Warranty* that covers fire boxes and cooking grates, Bull is committed to going the extra mile to provide you the ultimate outdoor cooking experience.

KNOW SERVICE

Strong continuing growth has led to the new Bull Global Headquarter in Lodi, CA. This 50,000 sq. ft. stocking warehouse/showroom increases Bull's footprint in the western states, and compliments Bull's production/service facilities in Rialto, CA and Athens, TN.

Bull provides a premium outdoor cooking experience that is manufactured with the highest quality materials. Bull maintains a complete in-house parts department with knowledgeable specialists available to answer any question imaginable. When you purchase a Bull Outdoor product, not only will you know it is made with expert precision, but you'll have Bull's dependable and responsive service department waiting to assist you.

Fact is, when you purchase a premium Bull grill, you're getting a commitment to the highest-quality product and reliable service in the market. Period. Our grills and components are built to last a lifetime and that's why we guarantee that your Bull grill will be the last one you ever purchase.

** Specific warranty details provided with each Bull product*

And that's exactly why we say ...

BULL BARBECUE ULTIMATE OUTDOOR COOKING EXPERIENCE

When you purchase a Bull grill, we hope you're not just thinking about hamburgers and steaks. Because in our world, it's more about an outdoor cooking experience. Bull's Culinary Director, Jeff Parker, is an award-winning chef with over 22 years of culinary experience. Chef Parker has taken his trained expertise in the kitchen and combined it with his love of outdoor cooking to develop over 100 different recipes made specifically for Bull grills. From meat and poultry to fish and vegetables, Parker's recipes can be found in Bull's new cookbook "GRILLING", weekly blogs and in a special video series online at bullbbq.com.

Did somebody say Pizza? Don't bother dialing takeout; your Bull Outdoor grill and PizzaQue are the only tools you need to create an amazing "pie" right in your backyard.

And did you save room for dessert? Chef Parker has created easy step-by-step masterpiece recipes (like his Grilled Pineapple Sundae and Grilled Pound Cake with Fresh Berries) that you can use to take your outdoor cooking to the next level.

But don't forget ... at the heart of what we do best is a line of sauces and rubs. Bull's lineup of flavor enhancers is the perfect complement to any meat, poultry, fish or vegetable.

That's why Bull isn't just a source for Grills, Outdoor Kitchens and accessories. Bull is your partner for the ultimate cooking experience.

GO FROM BURGER FLIPPER TO GRILLMASTER

Bull Grill Carts are ideal for small spaces, condos and apartments, but these grills are not small on cooking power: they are available with up to 105,000 BTU's so you can grill for a few or as many as you want. All Bull Grill Carts are equipped with plenty of storage. They feature double-door, under-grill storage, plus drawer storage on the flagship 7 Burner Premium that even has extra space for grilling tools, sauces, seasoning rubs and more.

This lineup of Bull Grill Carts will take you from a backyard enthusiast to a Championship Grillmaster, just like Wade Fortin and Rusty Johnson, the 2013, 2014 & 2015 Team Bull World Burger Champions. The superior performance of the Bull Grill gave them the edge they needed to beat out the best Burger Masters at the World Food Championships.

With three World Burger Champion between them, Rusty Johnson and Wade Fortin from Team Bull, use Bull Grill's to win in competition and in the backyard.
